SOUTHERNERS BACK ON ETHER!

Friday night, at 7:00, the Southerners go back on the air to sing mountain lullabies to their many former listeners.

Hank and Slim have volunteered their services, their throats, we should say, as have Mississippi and his mandolin, and with Chism and Welburn with harp, and maybe piano, and a guitar or two, we may have another good outfit. We hope.

A theme song is the only problem now, and Echo From The Hills is considered seriously.

*******

WANTED, AN ORDERLY.

P. Jones Brantley and Bull Mathew Durham want an orderly to clean up their disorderly room. They say they have proof that they need one.

Salary paid is not mentioned but it is assumed that an old pair of button shoes a month will be about what they'll pay.

Interviews for anyone who want to apply for the job will be held in the afternoon.

## WIN ONE, LOSE ONE.

Yesterday morn on Ye Grasse Bowle '491 lost a softball game and won one in a CCC League affair

About ten errors cost us the first game, but we made up for it in the second.

Bencomo and Jiminez worked the first game, and Almeda and Esquia worked the second.

First game, 12-5 their favor, second game ~~10-4~~, our favor.

The third game will be played sometime soon.

The CO and the EA umpired and did all they could to win both games but just couldn't make it. The EA got a bump on the head when a foul tip whizzd over the catcher's head and scored a direct hit above the eye of the EA, his good one, at that.

That's why we lost.

491 WINS TWO.

Last night on Ye Olde Grasse Bowle The Red Devils from 491 played and won two postponed games with Peters Super Cream.

The scoore of the first game was 7-5, and the score of the second game was 4-1. For a while things looked quite dark for 491 in the second game when the score stood 1-0, favor Peters, but the heat was turned on by the Red Devils and four runs went across the plate.

Outstanding among the plays last night was the long running over-the-shoulder catch of Charley Brantley for the last out of the second game, and the rolling-overstop and throw of a ball by Del Beiddelman.

ONE OF THE

things that happen at a ball game happened last night when Hicks, catching for Peters, ran over a spectator while chasing a foul ball and knocked said spectator as cold as a witches nose, and that's cold.

TORPEDO COAST GUARD.

With eleven of their men going out via the strike-out way, and the others thrown out by Jawn from third or caught out in the field by Bull, Brantley or Klein, the Coast Guard lost to a fighting team of Red Devils 4-0 on Ft. Stevens diamond last night.

Their pitcher, Klock, has improved more than any other pitcher in the league, and with some hitting power back of him would win many games.

# SCS DAILY FOREPAW

Vol 15 No 6 Aug 8, 1939 Chossday Co 491 CCC Warrenton, Ore.

ANOTHER VICTORY

was added to the list that 491 now has when the lads from 491 downed a strong Gearhart Town team, reinforced by the Warrenton Baseball players, 6-5, in a seven-inning contest last night on WHS field.

The star of the contest was Herman Bailey, who knocked the longest home run seen on the field this year. He poled it away up on the bank of the high school lawn, and the fielder was fiveminutes going after it. He scored Curly Lawson aheadof him. In the field the Bailey lad caught everything that was even near him, cutting off what would have been hits. We wonder how come he didn't come out for softball this year, for we surely could have used him.

| Summary: | | AB | R | H | W |
|---|---|---|---|---|---|
| Lawson | 3b | 4 | 1 | 1 | 0 |
| Bailey | 2b | 4 | 2 | 2 | 0 |

LOSE LAST GAME.

In the last game of the season to be played on Gyro Field last night The Red Devils from 491 retarded the spark a bit too long and the Mechanics from Lovell Auto rolled over us, 9-8. We out-hit and out-errored 'em, but just couldn't get around to winning. Bull Durham closed out his softball career with 491 in nice style, getting three hits and two runs out of four times up.

Charley Brantley made two of the most sensational catches ever seen on Gyro Field.

yesterday at Seaside, with a large crowd of nice looking people watching, the Red Devils from 491 downed an All Star team from Seaside, 7-6.

The tide crept up several times and washed the ball ashore, necessitating the moving of the bases several times.

The outfielders were playing out in the water, and once a shark started to drag Jiminez and Diaz out into the briny deep, but the timely application of a bat with the trademark held right, sort of straightened the finny brute out.

An octopus got one of his eight mitts on the ball once and started for the deep, but he was caught just in time.

Seaside had an octopus with a mitt on each tentacle out in left field, but still lost.

Aside from an occasional sigh, one never knew he was a lonely turtle, oven though his only companions were the agates and rocks of his little nest. Even the food was of the best, but poor Oscar needs it no more.

Doubtless he will go to heaven, for he harmed no one, never cursed, never drank anything but Clatsop Co. rainwater, never gossiped, and he enjoyed to listen to the church sermons on the radio.

SET RECORD FOR SOFTBALL MARATHON.

Co. 491 yesterday set some sort of a record for softball play when twenty athletes took the field at 6:00 AM yesterday morning and played continuously until dark last night, playing a total of 130 innings.

This is thought to be a record unbeaten west of the Mississippi River. No substitutions were made on either side, the only change made being the one when Landrum replaced Almeda pitching f for the Red Early Birds in the 67th inning.

Many were the excellent plays made, the fine catches made, the line drives stopped, and all in all every player played his best all the day long.

Lunches were hurriedly eaten between innings, and no timewas lost.

Summary:

| Red Early Birds: | | AB | R | H | W |
|---|---|---|---|---|---|
| Palmatier | lf-C | 57 | 12 | 15 | 4 |
| Almeda | P-sf | 60 | 9 | 20 | 1 |

Pete Mandon with seven, and Prof Ginther with six, led the home run hitters, with Lt. Crouch next with four. Umpires were Whaley, Lawson and Lounders, and they all three did might might fine.

ERRORS MADE

by both sides, accounting for opponent's runs were: Night Hawks, 66 errors; Early Birds, 48 errors.

OTHER SIDELIGHTS:

Almeda pitched seven balls in three innings for seven outs, when an error in the infield broke it up.....Jawn Landrum took an awful beating while in the pitchers box, three or four line drives hitting him on his good leg, his goodhand, in the stomach, and all over.....Alford's stop of Prof's line drive, knocking it up into the air, and while looking around for it, having it fall into his mitt without his knowing it, for an out.....Lt. Parrott's one hand catch of a fly while going backwards fast, and landing on his haid.....the outfielding of Klein, Sherbert, and Diaz.....the seven double plays turned in by the Night Hawks.....the running ca tch into right field made by Lt. Crouch.....Pete Mandon's catching.....Mr. Landrum's fireball pitching.....

## ON TO VANCOUVER!

Over the week-end the baseball team of 491 won two out of three games and cinched their entrance into the championship playoffs at Vancouver starting this coming week-end.

The first game, at Nestucca, ended 3-4, our favor in one of the wildest rallies ever seen around those parts, in the ninth inning.

Then Sunday Nestucca came up here and took us, 9-5, necessitating a playoff of the third game. This happened yesterday and it ended 9-3, our favor.

Outstanding hitters of the series were Moon Mullens, Alford and Bravo, although all the lads hit well.

Space prevents recording the many interesting highlights of the series, and here are the combined summaries of the three games:

| | | AB | R | H | W |
|---|---|---|---|---|---|
| Landrum | P-3b | 11 | 2 | 2 | 2 |
| Brantley | C | 13 | 2 | 3 | 1 |
| Almeda | 3b-P | 13 | 2 | 0 | 1 |
| Bailey | 2b | 2 | 0 | 0 | 0 |
| Bravo | ss | 9 | 3 | 3 | 2 |
| Mandon | rf | 13 | 2 | 3 | 0 |
| Mullen | 1b | 10 | 3 | 5 | 3 |
| Alford | 3b | 10 | 2 | 4 | 3 |
| Palmatier | cf | 11 | 1 | 1 | 1 |
| Diaz | rf | 12 | 1 | 2 | 0 |
| | | 104 | 18 | 23 | 13 |

John Landrum won the two games, relieving Almeda at Nestucca to win, and winning yesterday's affair. The outfield, Diaz, Palmatier and Mandon saved yesterday's game for Honest Jawn, or, as he has become to be known, Admiral John Paul Jones Landrum.

On to Vancouver!

WELL,

a lot of water and stuff has gone under the bridge since the last issue of this sheet went to press. We'll try to catch the most of the driftwood that went with the water under the bridge and record it here.

The main thing that happened was that 491 went to Vancouver to play in the baseball championships. We drew Hemlock in the first game and with John Landrum pitching a nd the lads hitting we took 'em, 9-8. Then we drew a team, Standfield, that had won their first game 40-0 in 8 innings, for that next morning.

With Almeda pitching a swell game we held them on even terms all along the route. We threw away four runs, gifts, or the score would have been 4-1, our favor. The affair ended, 5-4, their favor. And we came home.

***********

BATTING PERCENTAGES

for the two games are herewith given: Herman Bailey led all hitters in the tournament with the high average of .714.

|---|---|---|---|---|---|
| Bailey | 7 | 3 | 5 | 2 | .714 |
| Palmatier | 6 | 1 | 2 | 3 | .333 |

THERE'LL HAVE TO BE some changes madd around here. Rule #2 was flagrantly violated this morning. At 9:56 AM, the radio was turned on through the loud speaker, and some muttonhead was giving setting up exercises for nightwatchmen.

"One, two, three, four, roll over, one two three over, back again," and so on and on and on.

Gr-r-r-r.

CHINK ROGERS is mowing the hedges these days, getting shape for the barber job. From the looks of those Sing Sing haircuts that Charlie Brantley, John L, Ike Pullens and Jungle Bugger have, we'll need some hedge trimmers, o r something.

RIGHT. AND HOW.

RIDELSPUT was reading the News and Disturber, home newspaper, and noticed where a negro camp, CCC, was moving in near Piedmont, the home town of Co. Clerk Peace, and he said: "Peace, you can get in the C's close to home now."

About that time a biffet hit him on the side of the head, and Sis left.

Lt. JAMES ROBERTS, better known in some circles as Jeb Stuart, is honoring us with a few days' visit. He's the CO at Co 263, Prineville, Oregon, a nd was the CO at Saddle Mountain for a long time.

He tells of the little Scotch lad who missed the street car home from schoob and who ran along behind it all the way.

He told his father about it when he got home, how he had saved some money by following the streetcar home, and his father said, "Why didn't you follow a taxicab home and save more money?"

491

WELL.
"If you kiss me, I'll scream."
"But there isn't a soul within miles."
"I know it, but I just want to sort of keep my conscience clear."

HANK AND SEDBERRY dropped in for a visit this afternoon. They're working in town at Uptegroves.

LT. LOUIS CROUCH, who was on detached service at Camp Redmond, returned last night with Mrs. Crouch for another stay here in Warrenton.

Looks kinda natural to see him around here, with that cheap seegar in his mouth.

**********

NOT BAD.

The young man was walking in maddening circles in the outer office of the hospital, smoking innumerable cigarettes, porspiring, tearing his hair, waiting for word from the maternity ward.

Pretty soon a nurse came out and said to him,

"It's a girl."

He slumped down into a chair, sighed, and said, "Thank goodness it wasn't a boy, he won't have to go through what I have."

**********

WISHING?

"I just swallowed a wishbone and now I won't be able to make a wish."

"That's easy. Just wish that you hadn't swallowed it."

BUD NELSON is in camp now and will be for a long time, we hope.

Seems as how Abe had shot a man, and was sentenced to be electrocuted. On the morning of his execution the warden told him how sorry he was, and how it was going to cost the state $500 to electrocute him.

"Pretty bum business," spoke up Abe. "Give me $50 and I'll shoot myself!"

has been bestowed on The Southerners, softball team that participated in the Astoria Softball League last summer. Last night, in Astoria, the officials and managers of the various teams represented met and chose an All Star team. On it were three of our players, Lt. Not bad. Eastern Outfitting also had three players, Uptegrove had two, and Junior Service had one.
